Check the OS Type	WorkflowItemCustom Condition	CLP - Linux User Operations	
	WorkflowItemEnd		

7. Source code for the used actions

7.1. Check the OS Type

```
System.log("OS Type : "+wfOsType);
if(wfOsType.toLowerCase()=="linux")
{
    return true;
}
else if(wfOsType.toLowerCase()=="windows")
{
    return false;
}
else
{
    throw "The OS Type should be either Windows or Linux"
}
```
